Why choose the 11+ GL Maths Complete Revision and Practice book?

This book is specifically designed to cater to the requirements of the 11+ GL Maths exam, which is a common assessment for many grammar schools in the UK. Its comprehensive coverage ensures that your child is well-prepared for all aspects of the exam, including:

- Numerical reasoning
- Problem-solving
- Data handling
- Geometry
- And much more!

The book is divided into sections that correspond to each topic area, allowing your child to focus on specific areas of improvement and ensure a well-rounded understanding of the subject. With over 30 topic-based tests and two full-length practice papers, your child will have ample opportunity to consolidate their knowledge and track their progress.

Features of the 11+ GL Maths Complete Revision and Practice book

The 11+ GL Maths Complete Revision and Practice book encompasses a range of features that make it an invaluable resource for every 10-11-year-old preparing for the exam:

1. Detailed explanations:

Each topic is explained in a clear and concise manner, making it easy for children to grasp complex concepts. The step-by-step explanations cater to various learning styles, ensuring that no child is left behind.

2. Extensive practice questions:

The book is packed with practice questions that cover a wide range of difficulty levels, allowing your child to gradually build their skills and improve their speed and accuracy. The variety of question types ensures that they are well-prepared for any surprises that may come their way in the exam.

3. Progress tracking:

Regular progress tests help your child gauge their improvement and identify areas of weakness that need further attention. This allows for targeted revision, ensuring that time is utilized efficiently.

4. Realistic practice papers:

The inclusion of two full-length practice papers simulates the exam environment, familiarizing your child with the format and time constraints. This helps build confidence and reduces anxiety on the day of the exam.

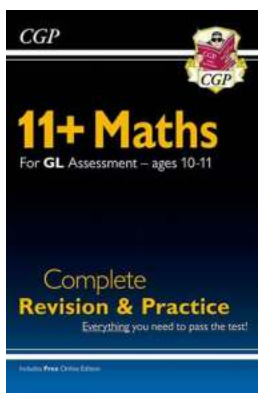

A long tail clickbait title that will intrigue you!
