The title "Gig Harbor to Galilee" was a once in a lifetime visit to Israel on the 1st wedding Anniversary for my wife and me. Our Church in Gig Harbor, Washington titled the trip "A Pilgrimage to the Holy Land", but it was really an unbelievable learning experience and so much more. There was so much to see and historical places to visit that a few days in the country only made us want to plan another trip.

I tried to capture the sights and history of the journey through photos and Bible passages that related to where we were walking.
