Eli's Song

Here in the month of June
The other guests to help you out
Your mother had you naturally
Naturally's the way you came out

You have your own mind
And you show it in you
Close to the high seas
When you want to be free
And you're up to you
In the wonders that you see

See the airplanes fly
See the stars reach for
The stars and string when you
Just yourself
And don't you have a worry in
The world

For the love that's been given you
Is the one thing that can't be given
And nobody it's given
Like the heaven made upon your face

You're stable, not wrong
You go a little out of the
You like to sing songs
In the spotlight
And when somebody's watching you
You shine so bright

See the airplanes fly
See the stars reach for
The stars and string when you
Just yourself
And don't you have a worry in
The world

You have your own mind
And you show it in you
Close to the high seas
When you want to be free
And you're up to you
