Won

I'm a loner. My only friend and brother is Remo. I'd take a bullet for him. I hate guns and never thought I'd be toting a gun while involving Marino family. But the connection I share with Remo is thicker than blood and I would do anything to protect him. I was of the opinion that he was the only one I'd die for, until Chloe entered my life. I would not only die for her, I'd destroy New York and all fifty states to find those that have hurt her.

Chloe

When I met Won, I thought I'd met one of those K-drama idols. I thought that he was the tall, handsome, sweet, and caring Korean that would sweep me off my feet. Never did I imagine a fierce protector that would destroy everything in his path to keep me safe. Not only is he a formidable fighter, he's also a savage lover.
