Newbery Medalist Cynthia Voigt presents this charming middle grade novel about two border collie puppies growing up on a farm—a brother and sister who couldn't be more different from each other...or so they think. "Voigt's touch with dogs is as deft as it is with humans," raved The Horn Book.

Angus and Sadie are siblings, but that doesn't mean they're the same. Angus is black-and-white and bigger. He is a good, brave, and clever dog—and he likes that. Sadie, on the other hand, is red-and-white and small. She isn't as quick to learn—or to obey. Angus thinks she's scared of everything, but Sadie knows that's not true. She's just different.

This heartwarming story of two wonderful border collie siblings growing up on a farm in Maine is perfect for young readers who enjoyed Ann M. Martin's *A Dog's Life* and John Grogan's *Marley* books, animal lovers of all ages, and anyone

who's ever had—or wondered what it would be like to have—a brother or sister just like themselves, but very, very different.
