Whether you're a parent or a student, you understand the importance of these exams in determining your future. That's why we're here to tell you about the incredible resource that will help you succeed - CGP 11 GL.

What are the 2022 Tests?

The 2022 tests are a series of exams that students in the United Kingdom will take to determine their placement in secondary schools. These tests, commonly known as 11+ exams, are taken by students in Year 6 and are crucial in securing a place in some of the top schools in the country.

These exams cover various subjects like English, Mathematics, Verbal Reasoning, and Non-Verbal Reasoning. They are designed to assess a student's academic abilities and their potential for academic success. As the competition for places in top schools continues to increase, it is essential to prepare thoroughly for these tests.
