In this book, the reader gets authentic and authorized answers for more than 3000 questions on Indian Classical Music, Dance and Composers. In this era of advanced technology, people have no time to read hefty tomes to know about the subject. They would like to go in for a condensed yet extensive dealing of the subject.

The Author, with over 50 years of experience in the field of music, as an orator/teacher, writer and musicologist of repute fulfills this need. Moreover, he has also been a reputed Quiz Master in all types of media. In this compendium, the reader will have a feast of ready-made answers on Indian art and culture. The information contained helps not only students who are appearing for music and dance examinations, but also research scholars and, of course, the interested layman. There are about 18 chapters, starting with the basic question

“What exactly is a Quiz?”

Another specialty in this volume are the 75 dance postures (Mudras) in line drawing, with their names. There is also a quiz conducted in collaboration with All India Radio on the subject of Kannada literature. This information has been published in print under various titles, with periodical updating, in several editions. Because of the fragrance of its contents, the demand for this book is increasing day by day.
