Zhang Ly pedaled into this building on this small anonymous island later, directly to the central island of that small mountain on the mountainside, taking phi sword in it opened except for the simple government.

The open engine is complete, he immediately takes out a set of tables, at this stadium the gate to the Battle of France, disappears the dynamic.

Done with these, he directed in the simple other fam on the most stone bed, took out a healer using Knitting, crushed smeared on the chest on the wound.

The front is avoiding the person who pursues the process inside, he simply conducts the wound a little processing, stops the bloodshed, to avoid saving the bloodstream becomes the enemy's clue.

Then, escaping for such a long time, his wounds became more and more serious, now it is impossible not to handle the moment.

"The man in the black spirit is really too harmful, on my body this is the spiritual defense product, all pierced by a sword. If it wasn't for my humiliation enough to resist the Spirit Master's attack, reluctantly obstructing the other sword a little bit, it would soon have been directly penetrated."

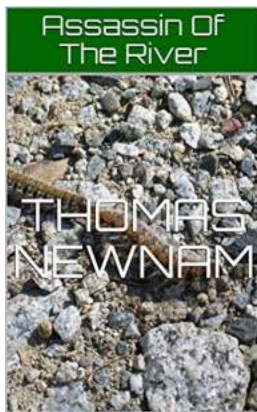

Being able to pierce yourself enough to resist the Spirit Of Humiliation, which clearly states that the other person is phi sword, of course it is the Spirit Product.

I can at one hand the spirit of Kim Dan after the monk's hand to escape, also count as luck.
