Sage is living the fast life with her homegirls Nesh, KiKi and Shay, dating Dope Boys and having fun when life hits her hard and she's left fractured with no clear understanding as to how to pick up the pieces. Things have changed forever and there is no going back, only forward. Sage doesn't know anything other than the life she's lived, and she's ill-equipped to undertake a new journey with the cards she's been dealt. She finds that the more she tries to do things different, the more she ends up two steps behind only to end up in the same place.

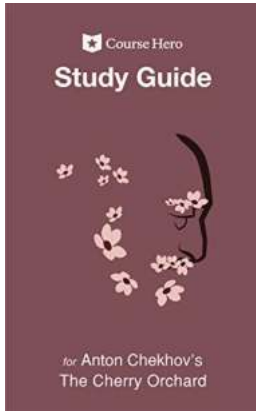

BabyGirl is a nostalgic trip down memory lane about Sage, aka Ali, who is not your average girl from South Central, Los Angeles. She's smart, wise beyond her years, and knows there's more to life than what she's seen growing up. However, Sage also likes the finer things in life, and doesn't mind getting it out the mud. She just doesn't want to end up dead or in jail like so many others. Yet, that's exactly where she will end up if she doesn't use her street and book smarts to alter her lifestyle and avoid an almost certain fate.

A coming of age tale from the hood, BabyGirl is a must read that fans of urban fiction will fall in love with.
