

# Best Hikes Near New York City - Best Hikes Near Series

Welcome to the Best Hikes Near Series, where we explore the most breathtaking hikes near major cities. In this edition, we delve into the best hikes near New York City. Many think of skyscrapers, bustling streets, and crowded subway stations when they picture New York City, but hidden within its borders are vast natural landscapes waiting to be explored. So, put on your hiking boots, grab some snacks, and let's venture into the wilderness!

## 1. The Appalachian Trail (Bear Mountain Loop)

The Bear Mountain Loop is one of the most popular hikes near New York City, and for good reason. This 8.4-mile hike offers stunning panoramic views of the Hudson River, Bear Mountain Bridge, and surrounding mountains. The trail ascends through dense forests and rocky terrains, rewarding hikers with breathtaking vistas at the Perkins Memorial Tower. Be sure to bring your camera to capture the natural beauty that unfolds before your eyes.

## 2. Breakneck Ridge Trail

For thrill-seekers and adventure enthusiasts, the Breakneck Ridge Trail is an absolute must. Located just 55 miles from Manhattan, this 5.5-mile trail challenges hikers with steep ascents, narrow ridges, and breathtaking cliffs. The panoramic views of the Hudson River and surrounding valleys are worth every ounce of sweat and effort. Make sure to pack plenty of water and wear sturdy hiking shoes, as this trail can be challenging but immensely rewarding.

### 3. Harriman State Park

Harriman State Park, located just 30 miles north of New York City, offers a plethora of diverse hiking trails suitable for all skill levels. With over 200 miles of trails, hikers can choose from easy strolls through serene forests or challenging journeys to scenic overlooks. Some popular trails include the Seven Hills Trail, Pine Meadow Trail, and the famous Appalachian Trail. Keep an eye out for wildlife and bring a picnic to enjoy amidst the captivating surroundings.

### 4. Storm King State Park

If you're looking for a hike that combines stunning views with art, Storm King State Park is the perfect choice. This park features over 500 acres of rolling hills, woodlands, and meadows. The trails offer panoramic views of the Hudson River and are dotted with over 100 sculptures and art installations. Take your time to appreciate the harmony between nature and art as you wander through this outdoor gallery.

### 5. Staten Island Greenbelt

The Staten Island Greenbelt is a hidden gem in the midst of Staten Island, offering miles of trails that traverse through forests, wetlands, and meadows. This urban oasis is home to diverse wildlife and boasts picturesque views of freshwater ponds and the city skyline. With over 35 miles of trails to explore, you'll feel like you've escaped the city without ever leaving it.

As the concrete jungle fades away, the natural beauty surrounding New York City becomes apparent. The Best Hikes Near Series has uncovered some of the most incredible hiking trails just a stone's throw away from the city that never sleeps. From panoramic vistas to thrilling climbs, these hikes offer an escape from the fast-paced urban life and immerse you in the tranquil embrace of nature. So, pack your bags, lace up your boots, and embark on an unforgettable hiking adventure near New York City!
