A few years ago, when I mentioned the issue of artistic writing, I made a comment: "In the current situation of Vietnam, the people are asking us documents about Thu Khoa Huan, Dispatch, Thien Thien Duong, Nguyen Trung Truc, etc."

According to the comments above I conclude:

"The capital that is already in our history, we don't need to borrow far away, if we realize that that capital is determined to be a strong motivation in the struggle for

the issue of national unity."

Encouraging the work of composing the subject in the history of the nation's majestic struggle, I just wanted to repeat one of the earnest ideas of the people that I also found reasonable.

Recalling when the people still dominated our country, people were not free to tell each other the stories of the fierce struggles of the heroes of the cemetery, also talk about the popular artistic writing in the mass?

Last time...

Nowadays, people can no longer be concerned to let the examples of heroic struggle be erased under the dust or carefree before the many experiences of the revolutionary soldiers for the pens, the hearts that know the vibrations , many earnest with love, homeland, nation.

With a spirit of constant reverence for the shadows of people who have fallen in the scene of bone blood to adorn our country radiantly, today I randomly reread the story "The Wind of The Lobe" by Shen Sworn Ha.

On the site of artistic composition, I am somewhat satisfied when considering the content of the collection.

In it, the author has gracefully shown the life of the hard struggle of the doctors and young men eager for the revolution to liberate the homeland.

The first advantage that I am happy to embrace "The Wind of Borders" is the plot of Shen Sworn Ha erected, it is not too far from our time, we are not too far back in history as when reading "Who goes to the sand" of Lan Khai , "Ngo Vuong Quyen" by Tran Thanh Nhuong, "Thien Mu Bell" by Phan Tran Chuc and "XiaoShan Magnificent" by Khanh Hung.

It is also time to use the historical context, but Shen Sworn Ha skillfully chooses the time point closer to our generation so that it has a content relatively suitable for the spirit of love of today's youth.
