Cracking the Pricing Code

Have you ever wondered why car prices vary so much from dealer to dealer? Matthew Manning unveils the pricing secrets that dealerships use to maximize their profits. Learn about hidden fees, add-ons, and how to decode those confusing price stickers. With this knowledge, you'll never fall prey to deceptive pricing techniques again.

Trade-In Tricks Exposed

If you plan to trade in your current vehicle, you need to know the trade-in tricks dealerships play. Matthew Manning reveals insider information on how to assess the value of your trade-in accurately. Learn how to negotiate a fair trade-in price without getting bamboozled by pushy salespeople.

Finance and Warranty Insights

Securing financing and choosing the right warranty can be intimidating. Matthew Manning shares essential tips on financing options and how to navigate warranties wisely. Avoid falling into the trap of high-interest rates and unnecessary warranty coverage. With this knowledge, you'll be able to make informed decisions that will save you thousands of dollars.

Unveiling Sales Techniques

Car dealerships often use a range of sales tactics to influence your buying decision. Matthew Manning sheds light on these techniques so you can recognize when you're being manipulated. From creating a sense of urgency to employing emotional triggers, understanding these sales techniques will enable you to make rational decisions without feeling pressured.

With the secrets of car dealerships revealed by Matthew Manning, you now possess the knowledge and tools to become a savvy car buyer. Take advantage of this insider information to ensure you get the best deal possible, avoiding common pitfalls and saving yourself both time and money. Don't let car dealerships maintain the upper hand – empower yourself today!

Prices in the UK used car market are as strong as they have been in years. Traditional negotiations over price with a main dealer won't get you as good a deal as it used to.

The tips in this book can help. I have worked at several main dealers and know what to haggle on to save you hundreds in the current climate.

I work in the motor industry, these are my insider tips to save you money.

If you are thinking of buying a used car from a main dealer this year then read this book first.

This short guide also contains a list at the end to keep handy for when you are in the showroom to make sure you remember what to say and when.

Play the main dealers at their own game and save yourself some money.
