RICHELIEU did not live to witness the of the great war in which France had engaged under his auspices. The treaties of Westphalia and the Pyrenees, especially the latter, might have been concluded earlier if his life had been prolonged, but in spite of the delay he is as much their author as if he had signed the actual documents. In fact, all the substantial advantages which France gained by these treaties had been practically secured by 1640. The military events of the next two years did little but render more certain the ultimate triumph of France. In 1641 the flowing tide of French successes seemed for a moment to be arrested. In Italy and in Artois the French troops had enough to do to hold their own...
