Old rivals with new Mechs.

Julian and his teammates have made it to the Regional Tournament, the last step before the National Finals.

Two great obstacles loom in their path.

The first is Lilac, the charismatic and deadly pro who crushed Julian's teammates in the College Cup Preview. Armed with her new Cerberus Tank, she'll stop at nothing to win the National Finals and qualify for the World Championship.

The second is The Mechanical King himself, who views Julian as a rival to his promising son. His hired blades lurk in the shadows, eagerly waiting to test their swords against Julian in deadly single combat.

Against these challenges, Julian must display every ounce of his resolve and determination.

The only question is...will it be enough?

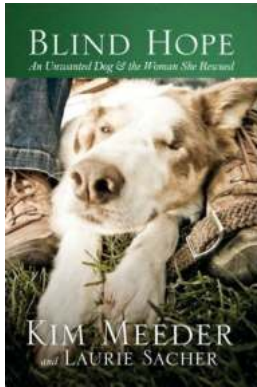

The third novel in the Captain Overdrive series, Cerberus Tank will delight fans of LitRPG, esports, and mecha anime.
