Roses, butterflies and winding leaves decorate this summery filet crochet lace edging. Designed in 1927 by Olive F. Ashcroft, it can be used as a border for a tablecloth or a dresser scarf. Make the narrow leaf border as long as you need, or omit it for a faster project.

I also changed the written instructions to use modern US crochet terms.

The only stitches you need to know to complete this lace are: chain stitch, single crochet, double crochet, double treble, and slip stitch.
