Words & Music...they need each other...

I am broken

I am lost

The damage cannot be undone...

Tyler "Twitch" Matthews is "the words", but when tragedy strikes, he loses "the music"

To the world he is just the sexy "blue-eyed" bad boy

Notorious for embracing all the perks of being a rock star...

Money, women, drugs, partying, and fame...

But, none of it will bring back his music...

Behind the facade this "rock star" is quickly unraveling...

Plagued by the songs of his youth, and on the brink of insanity,

Twitch finds himself standing at a crossroads...and in dire need for a return to his roots

Gia Gibson is a dark-haired beauty barely holding together the pieces of her ordinary life.

After a devastating loss dramatically changes her future....she finds herself at a crossroads

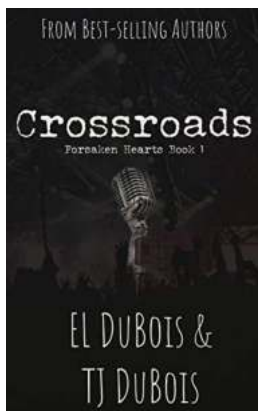

Her every waking moment devoted to keeping the family business afloat.

One upside to being so busy...no room for anything else...

Until "he" walks into her life and his words ignite her melody...

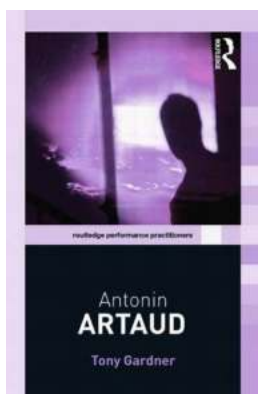

Love...guilt...grief...broken souls...passion...and a crossroads...

Sounds like the beginnings of an unforgettable journey...or an epic love song
