Cry Wolf picks up where the fourteenth book left off, delving deeper into the lives of the Empire Corps soldiers as they face their most formidable challenge yet - a betrayal from within their ranks. In the wake of a devastating attack by a ruthless enemy faction, the Corps finds itself fractured and on the brink of collapse.

As the remnants of the Corps struggle to regroup, the protagonist, Captain James Thompson, must come to terms with the shocking revelation that his closest comrade, Lieutenant Sarah Roberts, is the traitor responsible for the Corps' downfall. With his world shattered, James embarks on a journey to bring Sarah to justice and reclaim the honor of the Empire Corps.
