This bundle includes:

Detective Trigger and the Legend's Farewell

With Saint out of the way, and all the bad guys giving up and going home, Trigger retired and lived happily ever after.

Yeah, right...

Saint is back, and this time with the help of a deadly super-soldier from beyond the city walls. With Saint's new hitman out for blood, Trigger will need to team up with another unlikely ally to take him down.

Will Trigger overcome impossible odds yet again, or has his luck finally run out?

Detective Trigger and the Big Break

Arc City Prison is a bad place to be if you're a criminal, and an even worse place to be when you're not.

With his back against the wall, and no good choices left to make, Trigger joins Rick on one more crazy case. To spring one of their old adversaries and themselves from the slammer and mount the ultimate counterattack against Saint.

Will fighting fire with fire create the big break they desperately need, or just twice the fire?

Detective Trigger and the Wild World

For generations, the cats who live outside the walls of Arc City have remained a mystery shrouded in urban myths and folk tales. Some claim monsters roam the wilderness, and some say it's only a simple village of farmers. No citizen of Arc City has ever been able to learn the truth.

Until now.

Trigger is thrown into a wild world, filled with more danger and secrets than even an ace detective can decipher. On top of that, he's once again hired to do the impossible.

Can Trigger survive as a dog in a cat's world, or is he finally in over his ears?
