In the first book E-Z Dickens was pretty much on his own in the superhero game.

In the second book in this series, E-Z is stuck inside a container and it seems there is no way out.

Until he meets a little girl named Lia, who lives in The Netherlands who has some interesting powers of her own.

Next, he officially meets the swan who helped him in the first book. Alfred is a very British trumpeter swan who is opinionated and not exactly the kind of mascot E-Z dreamed of taking to school with him.

E-Z, Lia and Alfred become The Three.

Are three heads better than one? With the help of Little Dorrit the Unicorn you'll soon find out!

In Book Three: Red Room something evil is going on and it's up to E-Z, Lia and Alfred to figure it out.

New superhero kids come on board from USA, Australia, Japan and England (a boy who is E-Z's cousin.)

Under E-Z's leadership, the team makes a plan to beat the evil Furies.

In the fourth and final book of this series, a betrayal is brought to light and E-Z's two best friends PJ and Arden's lives are in peril. A final battle ensues!
