bride with her nose cut off, or a groom who's lost his fingers. Do you want to be my permanent assistant or not, boy?'

'Of course I do!' I wanted this job so badly I could taste it. A job with true power ...

'Then get in there with the heartsease juice, boy. Now! Hippolyta nearly had Theseus's arm off that time. You know Her Majesty demands perfection!'

'Don't get your wings in a twist. I'm going!'

I flew down, taking the long way through the army of Amazons. The women stood motionless as they watched their queen fight, their breasts and hard sweaty muscles bound tightly by their leather armour. I moved at the speed of light, but in fairy terms it was slow enough to see the colour of the warriors' eyes. Blue, mostly. Had there ever been an army as beautiful before or since?

Though their beauty was nothing to me, I reminded myself, as I swooped towards the King and Queen so fast it seemed his sword and her axe hung in the air. I was getting married in three days. My fiancée was the Fairy Floss, though everyone called her Flossie. I'd only met her once. She was First Assistant Tooth Fairy for the entire north-west region and had a fine career ahead of her. She was even pretty in a toothy kind of way, though it didn't matter if she hadn't been. A sprinkle of heartsease potion in our eyes at the wedding ceremony and Flossie and I would love each other forever.

'A wonderful read for anyone whether they are discovering A Midsummer Night's Dream for the first time or revisiting the classic tale.' - Books+Publishing, four stars

Titania rose to her feet. 'What is going on here, Peaseblossom?' she demanded.

I bowed to her. 'I apologise, Your Majesty. But I'd rather be known as Pete.'

'Pete?' She frowned. 'That's no name for a fairy.'

'No, it isn't,' I said, meeting her eyes.

At court, he's known as Peaseblossom, a servant to the Fairy Queen.

But as Pete, he prefers pizza to sugarplums and denim to daffodils. He wants to choose his own life too. But how can he when a fairy's sole duty is to obey the all-powerful Queen Titania?

This is Shakespeare's popular and delightful comedy *A Midsummer Night's Dream* with an added army of Amazons, a sea serpent and a selkie called Gaela, who luckily for Pete makes the best pizza in the world.

It is also a story of the intrigues of the Fairy Court, of vampire plots to dominate the world and of impossible loves that might just come true. Not by enchantment, but when two hearts thread together, making a magic of their own.
