

Discover the Sensational Cuba Scratch Sniff Edition Illustrated Read Plan Visit Cook

Are you ready to embark on a sensory journey to Cuba like no other? Introducing the Sensational Cuba Scratch Sniff Edition Illustrated Read Plan Visit Cook. With this unique guidebook, you will not only read and learn about this incredible country, but also immerse yourself in its vibrant scents, sights, and flavors. Whether you are planning a trip to Cuba or simply want to explore its rich culture from the comfort of your own home, this comprehensive guide has got you covered.

Unveiling the Scratch and Sniff Experience

Imagine flipping through the pages of a book and being able to catch a whiff of the tantalizing aromas that emanate from the streets of Cuba. This Scratch Sniff Edition allows you to do just that. Each page is infused with scents unique to Cuba, such as freshly brewed coffee, tropical fruits, aromatic cigars, and vibrant spices. With a simple scratch, you can instantly transport yourself to the colorful streets of Havana or the lush tobacco farms of Viñales. Immerse yourself in the essence of Cuba as you read about its history, culture, and people.

An Illustrated Journey into Cuba's Visual Delights

Not only will you be able to smell Cuba through this unforgettable guidebook, but you will also embark on a visual journey through its stunning illustrations. Each page is adorned with beautifully crafted drawings that capture the essence of Cuban life. From vintage cars cruising along Havana's Malecón to the breathtaking colonial architecture in Trinidad, these illustrations will transport you to the heart of Cuba. Dive into the rich details and immerse yourself in the captivating visuals that bring the country to life.

Like most baby boomers, I heard about Cuba in grade school when I was 10 years old. This destination book on Cuba gives you a view of Cuba based on the observations of a seasoned traveler and Travel Advisor. It is one of the most interesting and backward countries that I've ever been to. And I've been to over 56 countries on 6 continents including Antarctica. The Cuban cigars and rum, vintage cars and mystique of Cuba were reasons for my visit. A Non-Scratch N Sniff Edition - This book is and others in the series is broken up into four parts. It is not designed to be your traditional travel book that lists hotels, restaurants and places. It is a reference book, travel log and cook book rolled up into one book. There are Ah-Ha moments and trivia, stories and quick antidotes. SECTIONS - I. LEARN: There are over 100 pages of information on the history, places, people and things that will be of interest in Cuba. (More information below.) II. PLAN: (3 pages of internet links to a booking engine) Book your vacation or cruise directly online with the vendors approved by the Department of Treasury to offer travel options for Cuba. All US Citizens are required to work with an Educational Institution or Approved "People to People" Travel Agency, Tour Group or Cruise Line. III. VISIT: (Blank pages are provided for your vacation notes.) Visitors to

Cuba are not allowed to go and sit on a beach for a week the way the Canadians and British have since the early 90's. When the Federal Government eased restrictions on travel to Cuba, a set of rules were put in place for American Citizens. One was the requirement to document your visit if the tour group that you are with doesn't. You can use this book as a journal. If asked, it can be used to show to the Department of Treasury if they ask you for information in the five years after you come back from your trip.

IV. COOK: (30 pages of Authentic Cuban Recipes and 3 pages of Rum Recipes) One wish of many adventurous travelers who come back from a vacation to places like Cuba is the desire to cook their favorite meals that they had while away. This book lists the major meals that Cubans serve on a daily basis.
