Guide Your Shot! Once Lorne Bowman, Jr. was recruited to the University of Wisconsin Men's Basketball team, his Dad felt it was time to give back what he had learned from working with his son over the years. Shots UP! Student Edition was written to help student athletes navigate through the recruitment process with their parents and coaches, and to give each athlete the hope of finding success throughout the journey. This recruitment guide answers many of the questions that parents and students have. Over the years, Lorne was approached numerous times by parents asking for advice on how he handled his son's recruiting process. This book should act as an engaging and interactive, behind-the-scenes look at what students can expect on the journey towards collegiate level play. Shots UP! Will:

- Encourage students to place priority on education and family.
- Show you some key tips to help get noticed by recruiters.
- Explain the recruitment process from the coaches' point of view.
- Teach you how to avoid some common mistakes on the road to recruitment.

If you are an athlete with aspirations of an advanced athletic career, Shots UP! is an easy-to-use recruitment guide that will help you navigate the way through your journey.
