A script from Macramé School, - “Macramé is a fabric craft that uses a variety of knots to create functional and decorative items. It can be worked in many different kinds of thread, string and rope and is often used to make jewelry.

Macramé is easy to learn, which makes it a satisfying craft for beginners, but advanced projects can be challenging for even the most experienced knotters.”

In this issue of DIY Beading Magazine, we'll showcase beginner projects for making Macramé handmade jewelries. There are still a lot to learn about creating macramé crafts but you can learn more and explore through our contributors' expertise.
