

Embark on an Epic Quest with The Magic Dagger Blackwood Adventure

Are you ready for the adventure of a lifetime? Prepare to be captivated and enthralled as we take you on a journey through the mystic realms of The Magic Dagger Blackwood Adventure. Set in a world filled with magic, danger, and ancient secrets, this interactive experience promises to test your wit, courage, and skills like never before.

A Thrilling Storyline

The Magic Dagger Blackwood Adventure invites you to step into the shoes of a brave hero, determined to save the enchanting realm of Blackwood from an impending doom. Your quest begins in the humble village of Evergreen, where rumors of a powerful artifact have spread like wildfire. Legends speak of a magic dagger hidden deep within the Dark Forest, said to possess unimaginable power and the ability to change the fate of Blackwood.

As you gather your courage and set forth on your journey, you will encounter an array of intriguing characters who will aid you, challenge you, and perhaps even deceive you. From the mischievous pixie in the Whispering Woods to the wise old wizard residing in Mount Crystal, each encounter will shape your path and influence the outcome of your adventure.

The Magic Dagger

The Magic Dagger is a spy story of the Second World War but it starts in 1648.

Anthony is determined to join his father who is fighting with the Cavaliers in Maidstone. Cromwell's Roundhead army outnumber them, and during the battle Anthony's father is wounded. In the village of Boxley, Anthony finds a Cavalier soldier who is dying and the man begs Anthony to bury him with his much-loved dagger. When Anthony holds the dagger he is swept forward in time to 1940, where he finds himself in the middle of another war.

England is threatened by a German invasion. Anthony meets Sylvia, Sam and Ben who have moved to Maidstone with their parents to escape the London bombing. They suspect that a spy has landed, but no-one believes them.

Can they foil the spy's plans and will Anthony ever get back to his own time?
