Imagine playing soccer in the majestic colosseums of ancient Rome, racing against chariots in ancient Egypt, or even engaging in intergalactic basketball matches on distant planets. The possibilities are endless! This interactive journey will take your kids on a rollercoaster ride through time and space, fostering their love for sports while encouraging their curiosity about history and science.

Unravel Fascinating Mysteries Along the Way

The adventures of time travel go beyond sports competitions. Your kids will also become explorers, solving intriguing puzzles, and uncovering hidden artifacts. These clues will help them unravel the secrets of each era, guiding them towards their next thrilling sports challenge. Get ready to witness the excitement on their faces as they piece together historical puzzles and connect the dots of the past.

Throughout their journey, your children will interact with renowned figures from history who will share their wisdom and unique experiences. They may receive wisdom from Leonardo da Vinci while perfecting their tennis skills, or learn the art of archery from legendary figures like Robin Hood. With each encounter, your kids will gain valuable insights into different time periods, fostering a deep appreciation for cultural diversity and historical knowledge.

Creating Unforgettable Memories Together

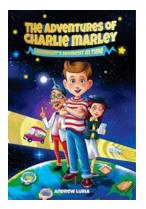

Nothing strengthens the bond between parent and child like embarking on adventures together. This time traveling sports experience allows you to actively participate in your child's journey. Whether you're competing side by side in a historic sports event or supporting them from the sidelines, these shared experiences will create memories that last a lifetime.

Witness the joy on your child's face as they triumph over challenges and conquer sporting feats. Cheer them on as they display their skills in front of enthusiastic crowds, making them feel like true champions. Together, you and your child will form an unbreakable team, supporting each other through the highs and lows of time travel and sports.

: A New Dimension of Sports and Adventure

The limitless possibilities of time travel combined with the exhilarating world of sports create an unbeatable combination. Through this time traveling sports adventure, your kids will embark on an unforgettable journey where they can explore history, showcase their athletic abilities, and create lifelong memories together with you.

Amazon #1 New Release and 5-Star Rated! A story about redemption, time-travel and the consequences of changing history as we know it.

"Our elementary school boys LOVE this book!"

"A very entertaining book for adults and kids alike!"

"Middle-school-age-appropriate structure and vocabulary and fast-paced action make this an easy read for fourth to sixth graders, who will enjoy the descriptions of completely unempathetic adults." --The BookLife Prize

"Andrew Luria, a real-life news and sports anchor, takes Charlie and Emma on a lively jaunt through space and time, and sports milestones, in this wonderfullyillustrated page-turner." --The BookLife Prize

Charlie Marley changed history as we know it. Which is incredible, considering he's the clumsiest kid on God's green earth. All it took was a few wrong turns, a couple accidental slips and one terribly misguided time-traveling golf cart to make it happen. Not to mention the threat of the scariest teacher in the universe, Mrs. Cooper the Pooper Scooper!

Along the way, Charlie and his travel partners meet Babe Ruth, Jackie Robinson, Michael Jordan, Babe Zaharias, John Elway and Mary Lou Retton. They try to dodge the deceptive members of the time travel police. And last--but certainly not least--they witness the most horrifying sight they ever could have imagined.

If they can earn their Time Travel Wings without breaking any of the time travel rules, they just might be able to change the most embarrassing ending in World Series history. But one wrong move, and they'll be sent off to do hard time in a galaxy far, far away. Looking back, perhaps they never should have gotten in that bizarre-looking high-tech golf cart in the first place.

What would you do?!

Fans of the Baseball Card Adventures and the Magic Tree House Series will love The Adventures of Charlie Marley!

Think Forrest Gump, Bill and Ted's Excellent Adventure and Back To The Future, based on sports, for kids!

"Time travel steers the group into the fray of six unforgettable moments in sports, from Babe Ruth's called shot at the World Series and the Stanford band storming the field against Cal to misadventures involving Mary Lou Retton, Jackie Robinson, Michael Jordan and Babe Didrikson Zaharias." --San Diego Union Tribune

####

"It mixes make-believe with facts that revolve around milestone events that Luria wants this generation to embrace." --The Coast News

####

"It's a very large book. I mean, it's a lot of pages. So, this'll be good." --ESPN's Tony Kornheiser - July 21, 2021

Seven-time Emmy Award-winner Andrew Luria makes his children's book debut with this fun and informative middle-grade series, combining history, sports, timetravel and adventure!

"Great for young sports enthusiasts!"

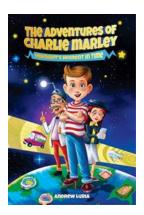

"My 11-year-old son can't say enough great things about this book!!"
