1. The Quilting Bee
2. The Tea Shop by the Sea
3. Embroidery Cottage

Story:

When Euan, the rich and handsome flower grower, buys another field, it comes with a pretty cottage. Deciding to rent out the cottage, he advertises that it's available.

Poppy has started up her own craft business in Glasgow, designing embroidery patterns, but moves to Euan's cottage in the Scottish Highlands on the West Coast by the sea. She's pleased to find out that there's a local quilting bee held in the tea shop every week, and the ladies of the bee welcome her to join them.

Poppy wants to concentrate on her embroidery work, and isn't looking for romance or another broken heart. Euan has never been lucky in love, but maybe his luck is about to change when Poppy moves into the cottage.
