I wrote 'Experience Lisbon' guide from my own travels and personal experiences having spent five days there in Autumn 2012. Included in the guide is places to visit in Sintra and Belem; how to get there - including using public transport and driving around. Also included is information for restaurants and hotels, together with something of the history of the attractions on offer. It is my hope that this guide will help you, the reader, plan your journey before you get to Lisbon and make the most of your valuable time while you are there.
