One such enchanting tale that has stood the test of time is "The Watches Of The North Pole Christmas Poem."

# Hello! I am a Gnome.

Thanks for letting me come to your home!  
I work for Santa at the North Pole,  
And I want you to be kind, so you don't get coal.

You can take me with you wherever you go,  
How about to school? Or even a show?  
I like to skate, and I like to ski,  
I like to make snow forts, and decorate the tree!

When you're sad or hurt is when you need me the most,  
But you'll feel my love when you're holding me close.  
I'll help you be kind and do your best,  
So you can set the example for all the rest.

One time each month, I'll do a review,  
If you've been good, I'll have a gift for you!  
When you make a wrong, you can make it right.  
Say you're sorry before the night.

Santa sent me to your house to watch over you,  
All that you say, and all that you do!  
I'll be with you all year so make sure that you're kind,  
And presents under the tree, I'm sure you will find!

Prepare to be whisked away to a world of snowy landscapes, twinkling lights, and spirited beings in this delightful Christmas poem. The watches of the North Pole will guide you through an unforgettable journey that will warm your heart and ignite the festive spirit within you.
