This is the third book of The Perfect Pair Dolphin Trilogy, the true story of Europe's top 1970s dolphin trainer. It exposes the plight of the captive dolphin, and gives an insight into the relationship between David Capello (aka The Psychic Trainer) and his beloved dolphins, whisking the reader on a journey deep into the dolphin psyche.

The Perfect Pair: Shards from the Mirror is the final book in the controversial collection that started with the award-winning book, The Perfect Pair: The Enchanted Mirror, now a core text for the University of Salford's BA(Hons) English and Creative Writing course.

The Perfect Pair Dolphin Trilogy is an immensely personal account of a young boy's first love – a special love that takes him on a mystical journey deep into the world of the dolphin, effectively casting him into a reality that constantly questions man's overall appraisal of these very special people of the sea. It tells of an

Atlantean mind connection – a psychic bond so strong that it enables the boy and his dolphins to become Europe’s top performing team ... the best of the best.

No one reading this book will ever view a dolphin in the same light again.
