Ginnie doesn't always think...

...sometime she just acts.

Was it a mistake to stand up to the bully?

Gennie and the bully, Pierce, get sent to the principal's office. It doesn't matter if he had threatened her twin brother, Toran, they both are suspended. Two days off school isn't the scary part.

What will her dad say?

Things get taken up a notch, next. When the West twins and Chandler brothers execute a prank to get back at Pierce, it doesn't turn out like they'd planned.

What Ginnie sees is terrifying.

Pierce is being beaten by his father.

Bullying is wrong, but now Ginnie has to come to grips with understanding what he might be going through.

How will she handle it?

You'll love this compelling story that deals with every teacher's greatest fear... child abuse. For fans of Judy Blume, who like a book that doesn't shy away from the hard problem in life.

What reviewers are saying about this book:

*Like Anne of "Anne of Green Gables," Ginnie is a character you can't help but

love.

*I couldn't put these books down. I was not only entertained, but inspired.

* An excellent book that deals with the sensitive topics of bullying, abuse and forgiveness. It is action packed and full of raw emotions.

*Bucheger does an amazing job of writing this story but without giving a cookie cutter answer to the problems Ginnie faces.
