The chapter, Stories from History, is an enthralling installment within the series. It takes readers back in time to witness some of the most significant periods of human civilization. From ancient civilizations like Egypt and Greece to the Renaissance and Industrial Revolution, the girls find themselves caught up in extraordinary adventures while interacting with influential historical figures.

### Marveling at Ancient Civilizations

The Time Machine Girls' journey begins in ancient Egypt, where they witness the construction of the magnificent pyramids. Through their eyes, readers gain a deeper understanding of the arduous yet impressive process of building these

colossal structures. They also experience the vibrant culture of ancient Egypt, exploring the bustling markets, mythical stories, and elaborate rituals.

Next, the girls travel to ancient Greece, where they become involved in the Olympic Games. They meet iconic figures like Socrates, Aristotle, and Plato, witnessing philosophical debates and indulging in the excitement of the games. Readers are transported into the heart of ancient Greece, feeling the energy and passion that defined this remarkable era.

## **Adventuring through Key Historical Periods**

The Time Machine Girls then journey to the Renaissance, crossing paths with brilliant minds such as Leonardo da Vinci and Michelangelo. They witness the creation of famous artworks and delve into the intellectual and artistic flourishing of the time. Readers get a glimpse into the artistic pursuits and advancements that shaped this transformative period.

Next, the girls find themselves in the midst of the Industrial Revolution, where they encounter inventors, revolutionaries, and discover the impact of industrialization on society. Through their eyes, readers gain a comprehensive understanding of the drastic changes brought about by this era and the social inequalities it created.

## **Life Lessons and Empowering Messages**

While The Time Machine Girls exposes readers to captivating moments in history, it also imparts valuable life lessons and empowering messages. The girls navigate challenges, confront their fears, and develop resilience as they confront the realities of each time period.

The chapter, Stories from History, encourages readers to appreciate the importance of understanding the past, recognizing how historical events have shaped the world we live in today. It emphasizes the significance of learning from history to create a better future.

## Unleashing a Love for History

The Time Machine Girls' Stories from History chapter is a thrilling and educational adventure that ignites a passion for history within its readers. Sarah Johnson masterfully combines captivating storytelling with accurate historical details, ensuring an immersive and authentic experience.

So, are you ready to embark on a time-traveling journey? With The Time Machine Girls, you will travel through time, witness pivotal events, and gain a newfound appreciation for the extraordinary stories that shaped our world.

Bess wouldn't go by herself, would she?

Just when eight-year-old Hazel and her little sister, Bess, get the green light from their grandparents to use the time machine again, they run into a problem.

Their mother wants them to play with the kid next door. He's not very nice. He steals Bess's frog, and Hazel can't seem to find the courage to stop him. Is Bess so upset that she'll use the time machine by herself? Will their mother find out they've been using it?

The third stop on this time travel adventure is to 1849 to meet Harriet Tubman on the Underground Railroad and learn that courage sometimes means taking the hard road in order to help everyone get on the right road.

Books in this series:

Secrets:

First stop: 1738 to meet a young George Washington, and learn that the qualities of leadership can show up at any age.

Never Give Up:

Second stop: 1879 to meet Thomas Edison, and learn that success often includes failure, and lots of it. The trick is to never give up.

Courage:

Third stop: 1849 to meet Harriet Tubman and learn that courage sometimes means taking the hard road in order to help everyone get on the right road.

Teamwork:

Fourth stop: 1916 to meet Marie Curie during WWI, and learn that we can all reach new heights when we all work together to get there.
