NATIONAL BESTSELLER NAMED A BEST BOOK OF 2021 BY NPR

“To read Maggie Smith is to embrace the achingly precious beauty of the present moment.” —Time “A captivating collection from a wise, accessible poet.” —People

From the award-winning poet and bestselling author of *Keep Moving* and *Good Bones*, a stunning poetry collection that celebrates the beauty and messiness of life.

With her breakout bestseller *Keep Moving*, Maggie Smith captured the nation with her “meditations on kindness and hope” (NPR). Now, with *Goldenrod*, the award-winning poet returns with a powerful collection of poems that look at parenthood, solitude, love, and memory. Pulling objects from everyday life—a hallway mirror, a rock found in her son’s pocket, a field of goldenrods at the side of the road—she reveals the magic of the present moment. Only Maggie Smith could turn an autocorrect mistake into a line of poetry, musing that her phone “doesn’t observe / the high holidays, autocorrecting / shana tova to shaman tobacco, / Rosh Hashanah to rose has hands.”

Slate called Smith’s “superpower as a writer” her “ability to find the perfect concrete metaphor for inchoate human emotions and explore it with empathy and honesty.” The poems in *Goldenrod* celebrate the contours of daily life, explore and delight in the space between thought and experience, and remind us that we decide what is beautiful.
