BURNING WATERS

Designated Supreme Commander of the Allied Forces, Matt Reddy must now contend with a new threat; the Dominion—humans whose lust for power matches the Grik. But even though the Grand Alliance recognizes the danger of the Dominion, it must deal with the land-based Grik first, leaving the Imperial navy—and USS Walker—with little assistance.

Fighting on two fronts, Reddy is plunged into a firestorm of loyalty, betrayal, and sacrifice. But nothing can prepare him for a devastating new Grik weapon—a weapon that could wipe out all who oppose them...
