Be creative, de-stress and brighten up your world with these twenty-four embroidery projects for crafters of all skill levels.

With projects ranging from things you could complete in an afternoon to others that you can take your time over, enjoy every step of the making process as you focus on feeling good through being creative. The finished makes will bring colour and joy to your home, workspace and wardrobe.

The projects in this book allow you to craft your creative time by selecting makes according to timescale. Choose one of the “crafternoon makes” if you want that sense of joy at finishing something, a “medium makes” project for the days where you have a little more time for crafting, or for something to really take your time over you could stitch one of the longer “pick me up” projects.

Each project includes step-by-step instructions, beautiful photos and inspirational ideas for how to make each project your own. So take time to be creative with this colourful, feel-good craft book!

Praise for Colourful Fun Embroidery

“With clear, precise instructions, Celia's book on creative embroidery is just what is needed!” —Books Monthly (UK)

“Fulfilling a tall order for embroidery that generates glee, UK crafter-author Albans tries her hardest to infuse some lightness of embroidery into daily life with bright colors, perky sayings, and displayable projects. Her two dozen projects range from brooches and necklaces to banners and patchwork, each indicating the time needed to finish. Every design supports a beginning needleworker. . . . And though some projects have a very British feel (such as buntings to top a cake), many will appeal to U.S. tastes. A stitch in time might provoke some smiles. Other appendixes include embroidery materials, embroidery stitch guide, template information, and craft suppliers (primarily in the UK).” —Booklist
