

First Comes Like: A Novel Celebrating Modern Love

The Rise of Modern Love Stories

In an era where traditional romance novels dominated the literary landscape, a refreshing new voice emerged to capture the essence of modern love. "First Comes Like" is a groundbreaking novel that embraces the complexities and realities of finding love in the digital age. Packed with relatable characters, unique storytelling techniques, and an engaging plot, this novel explores the challenges and triumphs of modern relationships.

An Intriguing Blend of Technology and Romance

"First Comes Like" tells the story of Emily, an ambitious young woman navigating the chaotic world of social media and online dating. With each swipe, like, and comment, Emily finds herself entangled in a web of possibilities, complications, and unexpected connections. As readers follow her journey, they witness the intricacies of building relationships in a digital landscape and the varying degrees of authenticity that come with it.

The author skillfully weaves together witty dialogues, heartwarming moments, and thought-provoking insights to highlight the impact of technology on modern love. From awkward first messages to heartfelt virtual connections, "First Comes Like" captures the essence of online dating while exploring the profound human desire for connection and companionship.

Characters That Resonate

One of the novel's greatest strengths is its well-developed and relatable characters. Emily, the protagonist, is a reflection of the modern woman—full of dreams, ambitions, and a longing for true love. Her experiences and struggles resonate with readers, who find themselves cheering her on, empathizing with her challenges, and celebrating her victories.

Alongside Emily, "First Comes Like" features a diverse cast of characters, each bringing their own unique perspectives and stories to the narrative. From best friends who provide much-needed comic relief to intriguing love interests with unexpected depths, the supporting characters add layers of complexity and authenticity to the novel.

A Timely Exploration of Relationships

"First Comes Like" delves into the complexities and often confusing dynamics of modern relationships. By addressing topics such as online dating, ghosting, catfishing, and the challenges of maintaining virtual connections, the novel offers an insightful take on the realities of dating in the digital age. It serves as a mirror to society, prompting readers to reflect on their own experiences while simultaneously providing a captivating and entertaining story.

Throughout the novel, themes of self-discovery, vulnerability, and the pursuit of true intimacy are masterfully interwoven. The author displays an astute understanding of the intricacies of human relationships, showcasing the inherent messiness and beauty of love in all its forms. The story acts as a reminder that despite the ever-changing landscape of romance, the fundamental desire for emotional connection remains a timeless and universal human trait.

The New Era of Love Stories

"First Comes Like" marks a turning point in the realm of love stories. Its portrayal of modern love serves as an ode to the evolving dynamics of relationships and celebrates the resilience of the human spirit when it comes to matters of the heart. Through its engaging storytelling, relatable characters, and thought-provoking themes, the novel captivates readers and leaves them eagerly anticipating more from this talented author.

In a world where technology has infiltrated every aspect of our lives, "First Comes Like" offers a refreshing and authentic take on love, relationships, and the pursuit of happiness. It reminds us that, in the end, true connections can be found in the most unexpected places and that love, in all its forms, never goes out of style.

The author of *The Right Swipe* and *Girl Gone Viral* returns with a story about finding love in all the wrong inboxes...

Beauty expert and influencer Jia Ahmed has her eye on the prize: conquering the internet today, the entire makeup industry tomorrow, and finally, finally proving herself to her big opinionated family. She has little time for love, and even less time for the men in her private messages—until the day a certain international superstar slides into her DMs, and she falls hard and fast.

There's just one wrinkle: he has no idea who she is.

The son of a powerful Bollywood family, soap opera star Dev Dixit is used to drama, but a strange woman who accuses him of wooing her online, well, that's a new one. As much as he'd like to focus on his Hollywood fresh start, he can't get Jia out of his head. Especially once he starts to suspect who might have used his famous name to catfish her...

When paparazzi blast their private business into the public eye, Dev is happy to engage in some friendly fake dating to calm the gossips and to dazzle her family. But as the whole world swoons over their relationship, Jia can't help but wonder: Can an online romance-turned-offline-fauxmance ever become love in real life?
