Spa slippers can give you that pampered, luxurious feeling in the comfort of your own home, and this easy crochet pattern is so quick to make that you can crochet a pair in just a few hours (or even in less than 2 hours if you are a fast crocheter!).

The yarn used is light worsted (double knitting/8 ply) and the slipper sole is crocheted using double strands so it works up very quickly.

Ideally, a cotton yarn will be the best choice to give you an authentic spa slipper feel, but any yarn can be used as long as it works up to the correct gauge (tension).

Your spa slippers can be strengthened by adding an optional layer of poly foam cushioning between the upper and lower crochet sole.

Instructions are included to produce the following sized spa slippers:-

Small (sole length 7 ½ inches/19 cm)

Medium (sole length 8 ½ inches/21.5 cm)

Large (sole length 9 ½ inches/24 cm).

You will only need a 4 oz skein (100g ball) in the main color to make a pair of spa slippers, and an oddment (no more than 1 oz (25g) of a contrast color if you wish to make the striped pattern on the slipper uppers. A small amount of poly foam cushioning (optional), a size K / 10 1/2 (6.5 mm) crochet hook and a D/3 (3.25 mm) crochet hook are the only other materials needed to complete the project.
