Ivy Lace Scarf End is a simple and versatile filet crochet lace pattern, originally written by Hannah Buss in 1921. It works as is for the end of a dresser scarf or a table runner. Included in this book is an adaptation of the pattern for an insertion, which would be beautiful in the center of your table runner, or above the hem of a skirt.

This is not your usual scanned vintage crochet pattern! To make this pattern great for today's crocheter, I wrote complete instructions and made an easy to follow chart. Hannah's pattern was a bit cryptic, so I changed the written instructions to use modern US crochet terms. I added a chart for more advanced crocheters.

The only stitches you need to know to complete this lace are: chain stitch, single crochet, double crochet, treble crochet, double treble crochet, and slip stitch. This lace pattern's rows are done top to bottom.
