

# Gilbern Cars Michael Burgess: The Untold Story of an Iconic Car Manufacturer

If you are a car enthusiast, then the name Gilbern Cars Michael Burgess might ring a bell. This iconic car manufacturer, known for their craftsmanship and unique designs, left an indelible mark in the automotive industry. In this article, we will uncover the untold story of Gilbern Cars Michael Burgess, exploring their history, the man behind the brand, and the legacy they left behind.

## A Brief History of Gilbern Cars

In the early 1960s, a young and ambitious engineer named Giles Smith and Bernard Friese joined forces to create a car manufacturing company that would redefine the British automotive industry. Combining their names, Gilbern Cars was born. With their shared passion for engineering and design, Smith and Friese set out to build exceptional sports cars that would rival the industry giants.

The first Gilbern car, the GT Mk 1, was unveiled in 1960. It quickly gained popularity for its striking design and impressive performance. The GT Mk 1 featured a tubular chassis, a fiberglass body, and a wide range of engine options, providing customers with a personalized driving experience.

"The Gilbern motorcar was the only motorcar to ever be produced in Wales and made use of the iconic Welsh Dragon for a badge. Over the short period of 1959 to 1973 it evolved through several changes of ownership from a basic enthusiast's sporty coupe to a gentleman's sporting tourer. Some of the manufacturer's models included the Gilbern GT, Gilbern Genie and Gilbern Invader - all are featured here.

With a wealth of fascinating illustrations, Michael Burgess charts the story of this remarkable company. This is an essential read for anybody with an interest in the history of British car manufacturers."
