

Guide To Your Greek Citizenship By Descent Wherever You Live

Are you of Greek descent but currently live outside of Greece? If so, you might be curious about whether or not you are eligible for Greek citizenship. Well, the good news is that Greek citizenship by descent is possible, regardless of where you live. In this comprehensive guide, we will explore the requirements, benefits, and application process for obtaining your Greek citizenship by descent. So, let's embark on this exciting journey together!

Understanding Greek Citizenship by Descent

Greek citizenship by descent refers to the process through which individuals with Greek ancestry can acquire Greek citizenship. This route is available to those who can prove their direct descent from at least one Greek ancestor. It is important to note that the Greek law establishes restrictions and specific criteria that applicants need to meet in order to become eligible for Greek citizenship.

Requirements for Greek Citizenship by Descent

In order to qualify for Greek citizenship by descent, you must satisfy particular requirements set forth by the Greek government. These requirements include:

- Proving your direct descent from at least one Greek ancestor. This can be done through official documents such as birth certificates, marriage certificates, or other legal documents that establish your lineage.
- Providing evidence of your ancestor's Greek citizenship. This can be obtained from Greek archives or official documentation that proves their Greek nationality at the time of your family member's birth.
- Having a clean criminal record. Applicants with criminal convictions may face additional scrutiny during the application process.
- Being of legal age. Applicants must be at least 18 years old to apply for Greek citizenship by descent.

It is important to research and understand the specific requirements to ensure you meet all the necessary criteria before initiating the application process.

Benefits of Greek Citizenship

Obtaining Greek citizenship by descent offers numerous benefits that can greatly enhance your personal and professional life. Some of the advantages of acquiring Greek citizenship include:

- Access to better employment opportunities within Greece and other European Union (EU) member countries.
- Ability to own property and establish businesses in Greece without restrictions faced by non-citizens.
- Eligibility for Greek social security benefits and healthcare.
- Right to vote in Greek elections and participate in the democratic process.
- Opportunity to freely travel and reside in any EU member state without the need for additional visas.

These are just a few examples of the many advantages that come with Greek citizenship.

Application Process

Now that you understand the requirements and benefits of Greek citizenship by descent, it's time to learn about the application process. Below are the general steps involved in acquiring your Greek citizenship:

1. Gather all the necessary documents to prove your eligibility. These can include birth certificates, marriage certificates, and any other relevant official documents.
2. Translate all your non-Greek documents into Greek or English by certified translators.
3. Obtain a Greek Tax Identification Number (AFM) from the relevant Greek tax office.
4. Complete the Greek citizenship application form and provide all the required information accurately.

5. Submit your application along with all the necessary documents to the Greek embassy or consulate in your country of residence.
6. Pay the application fee, if applicable.
7. Await the processing of your application. This may take several months, so patience is key.
8. Once approved, you will receive your Greek citizenship certificate and can proceed to obtain a Greek passport, if desired.

It is important to note that the Greek citizenship application process can vary slightly depending on your country of residence. Therefore, it is recommended to consult with the Greek embassy or consulate prior to initiating the application process.

Greek citizenship by descent offers a wonderful opportunity for individuals with Greek ancestry to reconnect with their roots and enjoy the many benefits of being a Greek citizen. Although the process may require effort and patience, the outcome can be immensely rewarding. Remember to thoroughly research the requirements, gather all necessary documents, and engage with the relevant authorities at the Greek embassy or consulate to ensure a smooth application process. Your Greek citizenship journey awaits, regardless of where you currently live!

Hello! Yiassou! This guide has got your attention and it's easy to understand why:

1. You're Greek, or part of you is, although you were born outside Greece (most likely) and grew up in a country outside the EU. You know you've got Greek blood because you have a Greek ancestor who was born and registered in Greece as a citizen.
2. You're wanting to claim your Greek birthright and become a citizen of your family's patrida (homeland) too. You'd like your life to include all the benefits that Greek EU citizenship and a passport offer.
3. You've just found this one-of-a-kind guide to help you through the Greek registration process and go next-level Greek.

Do you want to kickstart your citizenship application? Do you want to find out how to get the documents you need? Do you want to feel supported and in-the-know throughout your entire Greek citizenship registration process?

Then let this big friendly guide - based on first-hand experience - open the door to your Greek EU citizenship goals and welcome them in. It's your guiding light from start to completion.

In this generous, easy-to-read book, you'll find out EXACTLY how Danae's Greek-Australian sons became Greek EU citizens in November 2020. It includes their timeline, inside information, costs, tables and tips. Also, how they overcame the challenges that popped up along the way.

Then, in the sequel *Guide to Deferring Your Greek Army Service Indefinitely*, you'll discover how Danae's sons were granted ongoing Greek Army service deferment in 2021 as new Greek male citizens living permanently abroad.

Guide to Your Greek Citizenship by Descent focusses mainly on applicants who were born outside Greece and the EU, and who have at least one parent who is a registered Greek citizen (as this was the Konidaris boys' experience).

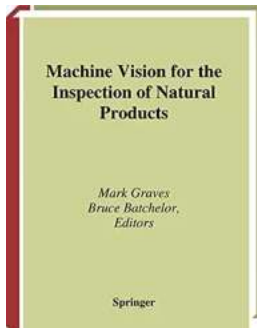

However, the guide is packed with all sorts of valuable information to help you move forward with your Greek registration whatever your family circumstances and location might be. (The Greek citizenship application and registration processes are universal.)

For example, the ebook explains the process and document requirements for applicants basing their citizenship application on a registered Greek grandparent.

Want to know exactly what you'll get in *Guide to Your Greek Citizenship by Descent*? Just take a moment to look at the Contents and get excited. So many questions answered!

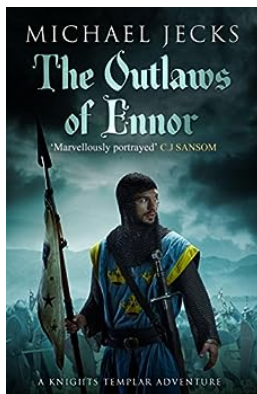

Guide to Your Greek Citizenship by Descent is like having the Konidaris Family by your side every step of the way. So, make a move toward your Greek EU citizenship and passport goals today! Get this great guide now!
