A Glimpse into Port-au-Prince

The capital city of Haiti, Port-au-Prince, is a vibrant and bustling metropolis that captivates visitors with its vibrant markets, lively music, and delicious cuisine. From the historic National Palace to the lively art scene of Grand Rue, the city offers a rich cultural experience that cannot be missed.

One of the highlights of Port-au-Prince is the Marché de Fer, a bustling iron market where local vendors sell everything from fresh produce to handcrafted souvenirs. The colorful stalls and lively atmosphere make it a must-visit for any traveler.

Unspoiled Natural Beauty

Aside from its bustling cities, Haiti is also home to some of the most beautiful natural landscapes in the Caribbean. Its unspoiled beaches, such as Labadee and Port Salut, boast crystal-clear turquoise waters and white sandy shores.

Moreover, Haiti is known for its breathtaking mountain ranges and lush rainforests. Exploring the Pic Macaya National Park or hiking through the towering peaks of the Massif de la Hotte offers a chance to connect with nature like never before.

Haitian Cuisine and the Art of Flavor

No visit to Haiti is complete without indulging in its mouthwatering cuisine. From spicy griot to comforting diri ak djon djon, Haitian dishes are a celebration of flavors. The fusion of African, French, and indigenous influences creates a unique culinary experience that will please every palate.

One popular dish that should not be missed is the Haitian-style legume, a hearty vegetable stew made with a variety of locally-grown vegetables and spices.

Combined with the famous Haitian pikliz, a spicy cabbage slaw, it is a true taste of Haitian culture.

A beheaded teenage cow thief, a Vodou love powder, counterfeit U.S. currency, and a lougrou who steals souls during the night. These are the stories of Julie Peters Akey's journeys through Haiti, told through her eyes and experiences, both as a soldier during Haiti's tumultuous years, and later as a volunteer after the earthquake. Julie gives an honest portrayal of all that is Haiti: foreign military intervention, natural disasters, a cholera epidemic, dictatorships, coups, and Vodou. In doing so, she artfully shares the surprising beauty, passion, and love found throughout the country. Despite all the misery, she shows how one person really can make a difference in the world.
