3. British Museum - A Treasure Trove of History

If you're a history lover, the British Museum is a must-visit. This world-renowned museum has a vast collection of artifacts from all over the world. Marvel at the Rosetta Stone, stand in awe of the Egyptian mummies, and learn about ancient civilizations. It's like taking a trip around the globe without leaving London!

4. London Eye - A Bird's Eye View

Get ready for an incredible view of the city from the London Eye. This giant Ferris wheel offers breathtaking panoramic views of London's skyline. As you slowly rotate, you'll be able to spot famous landmarks such as Big Ben, St. Paul's Cathedral, and the River Thames. It's a great way to see the city from a whole new perspective!

5. Natural History Museum - Where Dinosaurs Come to Life

Calling all dinosaur enthusiasts! The Natural History Museum is the place to be. Discover a world of ancient creatures, including a towering T-Rex skeleton. Explore interactive exhibits, learn about earth's natural wonders, and even touch a real meteorite. It's a museum that combines learning with fun!

6. Warner Bros. Studio Tour - Harry Potter Magic

If you're a fan of the magical world of Harry Potter, this is a must-visit attraction. Take a behind-the-scenes tour of the famous Warner Bros. Studio where the Harry Potter movies were filmed. Explore the Great Hall, step onto Platform 9¾, and visit Diagon Alley. It's a chance to immerse yourself in the wizarding world like never before!

7. Science Museum - Hands-On Learning

The Science Museum offers a hands-on exploration of the world of science and technology. From interactive exhibits to mind-blowing experiments, this museum will inspire the curious minds of kids and adults alike. Learn about space, inventions, and the wonders of engineering. It's educational, entertaining, and a lot of fun!

8. The London Zoo - Animal Adventures

Get up close and personal with incredible animals from around the world at the London Zoo. See majestic lions, playful penguins, and fascinating reptiles. Make sure to catch some of the daily animal feedings and take a ride on the zoo's famous carousel. It's a day full of unforgettable animal encounters!

9. Covent Garden - Street Performers and Market Fun

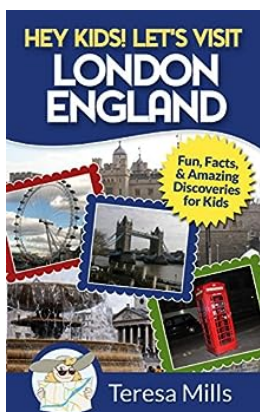

For a lively and entertaining atmosphere, head to Covent Garden. This vibrant area is filled with street performers, musicians, and lively market stalls. Enjoy the lively ambiance, browse unique shops, and catch a magical performance at the Royal Opera House. It's a great place to soak up the energy of the city!

10. West End Shows - The Ultimate Theater Experience

End your London adventure with a magical West End show. From beloved musicals to breathtaking plays, there's something for every taste. Experience the

thrill of live theater and be transported to different worlds through incredible performances. It's an experience that will leave you in awe!

London truly is a city like no other. With its rich history, diverse culture, and endless attractions, it's the perfect destination for curious kids and their adventurous families. So, are you ready to explore the wonders of London? The adventure awaits!

Visiting London with kids? Do you want your kids engaged and excited about visiting the capitol of England? Do you want your kids to learn as well as have fun while traveling? Look no further!

Get the entire family excited about the major things to do in London before you leave, and then let them help plan the trip!

Finally! A London travel guide for kids - written especially for them! Hey Kids!

Let's Visit London England asks:

Hey Kids! Did you know...

- London England is one of the most visited cities in the world?
- There is a trolley partially through the wall to Platform 9 3/4 at Kings Cross Station?
- There is a Giant Observation Wheel in the center of the city?
- There are iconic red phone booths all over London and the United Kingdom?
- You can actually walk across the "Brockdale Bridge" that was destroyed by the death-eaters in 'Harry Potter and the Half-Blood Prince'?

You will discover all of these things and more as we visit London England! Full of photos and fun facts about London and London attractions (and fun side trips), this book is great whether you are preparing for a trip to London with the family, or simply want to learn a little more about this famous city.

Each section of the book explains some of the history behind the major tourist attractions in London as well as listing some fun and interesting facts about each. Your child or grandchild will be your tour guide with this book! So make sure that they have this book early in the planning phases of your trip as well as when you visit London, England!

But, whether you are planning a trip with your family or just want to know more about London, this book is the perfect way to get started.

- Hey Kids! Let's Visit Chicago

Take a look at what other amazon customers say about Hey Kids! Let's Visit London England:

I've always bought travel guides before a trip so that I could research where I wanted to go and what I wanted to see. I love that this travel book is written for children, so that they can do exactly the same. It promotes reading, research, and helps children get excited about traveling to London before the trip. I also like that this London travel guide covers tourist sites that are especially fun for children, as well as historical sites. The fun facts section in each chapter are great, and I even learned quite a bit.~Heidi

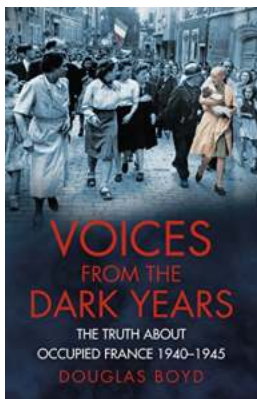

Whether you just want to learn more about the area or you are planning a trip to visit, I definitely recommend reading "Hey Kids! Let's Visit London, England." I also recommend taking the book along with you as a reference to use while you are there.~Teresa

This guide is very appealing, and I think my daughter (who is now 19) would also enjoy it as much as she would have when we first went. If you are planning a trip to London with your kids or young adult travelers, this is a good way to figure out what you want to see during your stay. If you are there already, all the better!~Lori
