

# How To Look Like Santa - Father Christmas With Photos Suggestions And Santa

Are you ready to spread joy and Christmas cheer this holiday season? There's no better way to do it than by dressing up as the one and only Santa Claus! In this article, we will guide you on how to transform yourself into the iconic figure of Father Christmas, complete with helpful photo suggestions and Santa himself as inspiration.

## 1. The Santa Claus Costume

The first step in achieving the perfect Santa appearance is to wear a Santa Claus costume. A traditional Santa costume typically consists of a red hat, a long red coat with white fur trim, red pants, black boots, and a wide black belt. While there are variations available, choosing a high-quality costume will lend authenticity to your look.

## 2. The Santa Claus Beard

No Santa look is complete without a full, white beard. To achieve this, either grow out your natural beard or opt for a high-quality fake beard and mustache set. Make sure to trim and style your beard to match the iconic Santa Claus look. Remember, Santa's beard is one of his most recognizable features!

In addition to the costume and beard, don't forget to accessorize like Santa. Wear a pair of round wire-framed glasses, and carry a jolly red velvet bag filled with gifts or candy canes. These small details will enhance your Santa appearance and make you stand out.

### **4. Get in Character**

To truly embody Santa Claus, it's important to adopt his joyful and caring personality. Practice a deep, hearty laugh and work on your "Ho Ho Ho!" Imagine yourself as the embodiment of happiness and love for children and adults alike. Engage with those around you in a warm and friendly manner to create an authentic Santa experience.

### **5. Santa-Inspired Photo Poses**

Now that you have perfected your Santa look, it's time to capture it with some stunning photos. Use these photo pose suggestions for inspiration:

- Sitting by the fireplace with a bag of gifts
- Leaving presents under the Christmas tree
- Reading letters from children

- Posing with a reindeer or sleigh
- Sharing cookies and milk

## 6. Santa Events and Festivities

Once you have mastered the Santa appearance, you can participate in various Santa events and festivities. Volunteer at local charities, schools, or community centers to bring joy to children during the holiday season. Embrace the spirit of giving and be the Santa everyone remembers!

With these tips and suggestions, you are ready to transform into the beloved Santa Claus. Whether you decide to don the Santa outfit for a Christmas party, charity event, or simply to surprise your loved ones, remember to embrace the spirit of joy, love, and generosity that Santa represents. Happy holiday season and may you bring happiness to all as Santa - Father Christmas!

Note from The Author!

I have compiled the information for this book from a lot of great Santa sources. Either by speaking to them at FORBS or IBRBS meetings, researching books, and being a Santa Claus for almost 15 years now.

I have worked at;

The Grove. The Bel-Air Hotel, and TV commercials.

The Santa in; Gwen Stefani - You Make It Feel Like Christmas!

I, like most all of the professional Santa's that I have spoken to, never became Santa's to make money! (job offers just seem to come out of nowhere.)

What gives me the right to write a book on Santa? Answer: Fifteen years of doing so and always seeking to improve.

Why did you write it? Answer: I just like helping people out when I can.

But I'm betting right now, the reason you are reading this book is to learn how the Professional make Santa come to life.
