Set in Scotland of the 1380,s, young Iain deLacey, heir to an Anglo-Norman earldom on the Scottish borders, is on a trip north to visit his grandparents at the Angus family castle Kinlochaline. Shortly after arriving he discovers that all the adult men of the clan have just been killed just as they were having dinner with a rival clan, the MacGilleones from the Isle of Mull. These rivals arrive at Kinlochaline planning to kill any other Angus males they can find. Iain hides in the castle well until he can escape. The rest of the story is Iain's journey to find the Lord of the Isles who can redress this wrong. As he is chased by the MacGilleones he finds many to help him. Partway through his journey he rescues a young boy, Niall MacDonald, and the two have quite an adventure. During the book, the landscape of medieval Scotland is accurately and lovingly described. You almost feel you are there with Iain.
