Born and raised in the heart of India, Kellyn McClarry grew up surrounded by the mystique of the land. From her early years, she displayed an insatiable curiosity and an unrelenting desire to explore the vast landscapes that had so deeply shaped her childhood. This longing for adventure propelled her on a journey that would not only change her life but inspire countless others along the way.

A Journey of Discovery

At the tender age of 18, Kellyn set out on her first solo expedition, traversing the rugged Himalayan terrain. Undeterred by the challenges that lay ahead, she embarked on a path of self-discovery that would become her life's work. Armed with a camera, a notepad, and an indomitable spirit, Kellyn documented her encounters with diverse wildlife, breathtaking landscapes, and ancient cultures.

Over the years, Indian Summer Kellyn McClarry would go on to explore the remote corners of not just India but the entire Indian subcontinent - from the snow-clad peaks of the Himalayas to the vibrant forests of the Western Ghats. Her photographs and writings became a window into the natural wonders that lay hidden within these unexplored realms, captivating audiences across the globe.

An Advocate for Conservation

Kellyn's adventures in the wilderness didn't simply satisfy her undying thirst for exploration. They served a greater purpose - to bring attention to the urgent need for conservation. Through her work, she highlighted the fragile beauty of the ecosystems she encountered, raising awareness about the importance of preserving biodiversity and ensuring a sustainable future for generations to come.

Indian Summer Kellyn McClarry played a pivotal role in establishing several conservation programs in collaboration with local communities and organizations. Her efforts have not only helped protect endangered species and fragile habitats but have also empowered indigenous communities to embrace sustainable livelihoods, creating a harmonious relationship between humans and nature.

Inspiring Through Words and Images

As an accomplished writer and photographer, Indian Summer Kellyn McClarry has shared her experiences and insights through various mediums. Her books, filled with vivid descriptions and stunning visuals, transport readers to distant lands, allowing them to witness the wonders of nature through her eyes. Through her mesmerizing storytelling and powerful imagery, she has inspired many to embark on their own journeys, to explore and connect with the world around them.

Beyond the pages of her books, Kellyn actively engages with her audience through online platforms and speaking engagements. Her infectious enthusiasm and unwavering dedication to her cause have made her a sought-after speaker, igniting a spark within each listener and encouraging them to become ambassadors of conservation.

A Legacy of Adventure and Conservation

Today, Indian Summer Kellyn McClarry's legacy lives on, as her work continues to inspire a new generation of nature enthusiasts and environmentalists. Through her unwavering passion for adventure, exploration, and conservation, she has left an indelible mark on the world, reminding us of the symbiotic relationship between humans and the natural world.

Indian Summer Kellyn McClarry's story serves as a beautiful testament to the power of both individual determination and collective action. It reminds us that we all have the ability to make a difference, to protect and cherish the natural treasures that surround us.

The summer of 1974 is the worst ever! Jack Campbell is grounded from his favorite hangout, abandoned by his best friends, and bored out of his gourd.

When a new family moves into the house in the woods, everything turns upside down and his small Pennsylvania farming community is torn apart. Friends become enemies and enemies become friends.

His summer takes an even more frightening turn when he awakens to find himself two hundred years in the past. He's in Colonial Lancaster County with no memory

of how he got there. After being taken in by a generous Quaker family with two boys near his age, Jack is able to spend time with a local tribe called the Conestogas, the last remnants of the once mighty Susquehannocks. Following some shocking revelations, Jack is desperate to rewrite history and prevent an unspeakable tragedy. Can one person make a difference? His friend's life depends on it. Will he ever find his way back home?

"In *Indian Summer*, Kellyn McClarry weaves an enthralling story. I fell in love with young Jackson on page one. I laughed, gasped, wept, and rejoiced with him as his tale unfolded. The storyline is equal parts coming-of-age, little-known history, and timeless truth. While the characters make the book appropriate for pre-teens, boys in particular, the story transcends age. I'm far from my teen years, but Kellyn kept me turning pages and left me wondering what happens to the characters after the story wraps. Earlier in my Christian publishing career, I was involved with an update of the classic *Sugar Creek Gang* series. Kellyn's story is every bit as engaging as those bestsellers. I hope to meet these characters in a sequel or two!" —Julie-Allyson Ieron, writing coach, editor, and author of 40 books including *Don't Let This Throw You!*

"With infinite patience, McClarry lulls readers into assuming *Indian Summer* is simpler than it really is. This holds true for both the plot line and for the character of Jack. Her timing is diabolically impeccable—revealing plot twists and new depth to characters only after readers have entirely convinced themselves of the story's trajectory. Don't underestimate this debut novel. Kellyn McClarry cloaks a brilliant wit in the guise of this story about a seemingly hapless, impatient, utterly ordinary boy, thrust into extraordinary circumstances. But her inspirational streak does come through, shining all the more for the timing of it all." —Sophia Alexander, award-winning author of *Silk: Caroline's Story*
