She Runs... Towards The Fire

She has to steal her own gold blood from the confines of The Emblem's labs.

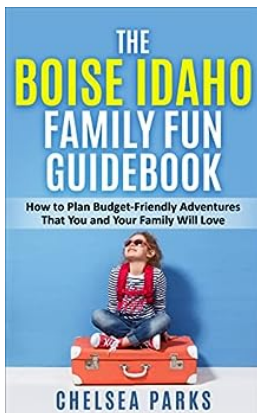

She is ruthlessly hunted by many assailants sent by Queen Jakura that have one agenda: To Kill Her.

She is Aurora Harris of Navajo City, and she is seventeen years of age. Navajo City is led by the wicked and merciless Queen Jakura. Aurora has never liked the aspect of Jakura in leadership, but she rarely thinks twice about it – that is, until the Queen decides to carry out an experiment that could be the death of the world. Tired of sitting on the sidelines and eager for an adventure, Aurora and two of her friends carry out a plan to stop Jakura from going through with her experiment. It doesn't work out how they expected and they have to flee to Itchikan City under the comfort of a generous stranger – unaware that the Queen will stop at nothing to get them back so she can deal with them properly. Alliances form and so do foes, and soon Aurora finds herself on the verge of discovering the real reason why the Queen is trying to hunt her down.
