

# Journey To Medieval Paris Amounts To Danger Knights Templar

Paris, the enchanting capital of France, is known for its rich history, stunning architecture, and romantic atmosphere. From the iconic Eiffel Tower to the intricate details of Notre-Dame Cathedral, the City of Light is a treasure trove of cultural and historical landmarks. However, beyond the popular tourist attractions, lies a hidden world that takes us back in time to the fascinating era of the Knights Templar.

The Knights Templar, founded during the Crusades in the 12th century, were a secretive and influential order of warrior monks. With their distinct white mantles adorned with a red cross, they played a significant role in shaping the destiny of medieval Europe.

A journey through medieval Paris offers an unparalleled opportunity to explore the legends and mysteries surrounding the Knights Templar. As you navigate the narrow cobblestone streets and witness the architecture that stood witness to their presence, you can't help but feel an exhilarating sense of intrigue.

The Louvre, a world-renowned museum, houses an incredible collection of art and artifacts, including some that relate to the Knights Templar. Among these treasures is the sword allegedly used by Jacques de Molay, the last Grand Master of the order, who was burned at the stake in 1314.

As you venture further into the heart of Paris, you'll discover the famed Notre-Dame Cathedral. This masterpiece of Gothic architecture is said to have connections with the Knights Templar. The magnificent stained glass windows and sculptures hold secrets and symbolism that continue to captivate both historians and enthusiasts.

One of the most tantalizing experiences awaits in the Latin Quarter, where you can delve into the underground catacombs. These hidden passages not only provide a glimpse into the city's past, but also carry whispers of the Knights Templar. Some believe that these catacombs were used as secret meeting places or hiding spots for the order during times of persecution.

Another fascinating site associated with the Knights Templar is the historic Church of Saint-Sulpice. Featured prominently in Dan Brown's best-selling novel, "The Da Vinci Code," this church boasts a mysterious gnomon that has fueled speculation about hidden Templar symbols and connections to the Holy Grail.

As your journey continues, you may stumble upon the Templar Commandery of Paris, once the headquarters of the order. Though now converted into a hotel, its medieval facade and stone walls whisper the tales of chivalry and devotion that once filled its halls.

But the journey doesn't end here. To truly immerse yourself in the world of the Knights Templar, a visit to the nearby Château de Gisors is a must. Located in Normandy, just a short distance from Paris, this imposing fortress played a crucial role in the order's history. Legends of secret tunnels and hidden treasures still echo through its lofty towers.

As you stand in the midst of these historical sites, it's impossible not to be overwhelmed by the magnitude of the medieval world and the impact of the Knights Templar. Their pursuit of knowledge, devotion to their cause, and reputation as formidable warriors make this journey through medieval Paris a thrilling and dangerous adventure.

So, if you're seeking an extraordinary experience that combines history, mystery, and danger, embark on a journey to medieval Paris and discover the legacy of the Knights Templar. Unveil the secrets they left behind and let the echoes of their footsteps guide you through the enchanting streets of the City of Light.

On a diplomatic mission in France, Sir Baldwin and Simon encounter more than they bargained for...

Baldwin and Simon uncover a deadly assassination plot in *The King of Thieves*, a gripping mystery in Michael Jecks' hugely popular medieval crime series. Perfect for fans of Paul Doherty and Susanna Gregory.

'Complicated, well-populated, written with cross-cutting gusto, and accompanied by scholarly extras' - *Ellery Queen Magazine*

1325: Sir Baldwin de Furnshill and his friend Simon Puttock are in France guarding King Edward's son on his perilous journey to meet the French king, Charles IV. But they are unaware that King Edward's wife Isabella is disaffected and plotting her revenge...

What first appears a simple diplomatic mission is fast becoming lethally dangerous. Meanwhile, two murders in Paris are causing alarm. Is there a connection between the killings and the shadowy 'King' of thieves? Simon and Baldwin know the future of the English crown is at risk. And in order to protect it they must put their own lives in jeopardy.

What readers are saying about *The King of Thieves*:

'Fast pace, intricate plot, well-drawn characters and good period feel make this a must for all fans of this genre'

'I cannot praise Michael Jecks' writing highly enough, his books always keep me guessing right to the end'

'Fantastic read - five stars'
