Children's author, Lisa Strattin honors firefighters and offers a way for children to remember a fallen hero in this picture book for kids.

This is the first in the "My Dad is a Hero" Series.

There are not enough words to help a child when dealing with the death of their father, especially when their daddy is a hero to people that he never met.

It is hopeful that this kids book about death will offer a bit of comfort to children when it is shared with them. There simply aren't enough firefighter books for children addressing the true life of a firefighter.

Lisa Strattin's goal in writing this book was to present them with a way to verbalize their feelings by reading about a firefighter and the job he does. Helping them to realize that it is normal and okay to be sad.

It is important for the adults in their lives to acknowledge their grief is extremely difficult. Being able to talk about their daddy goes a long way toward healing.
