Create Your Own Lion Lace Panel

Before starting your Lion Lace Panel, ensure that you have all the necessary materials. You will need:

- A size G crochet hook
- 100% cotton yarn in your preferred colors
- A stitch marker
- A tapestry needle

Step 1: The Foundation Chain

To begin, create a foundation chain with a multiple of 8 stitches plus 3 additional chains for turning.

Step 2: The Main Body

Row 1: Double crochet in the 4th chain from the hook, chain 2, skip 2 chains, double crochet in the next chain. Repeat this pattern until the end of the row. Chain 3 and turn.

Row 2: Double crochet in the first space created by the chain-2 from the previous row, chain 2, skip the next double crochet, double crochet in the next space created by the chain-2. Repeat this pattern until the end of the row. Chain 3 and turn.

Continue repeating Row 2 until your panel reaches the desired length.

Step 3: Adding the Lion Lace Panel Design

Now comes the exciting part – adding the lion lace panel design. Following the pattern chart, use different stitch combinations to create the lion's mane, eyes, and body. Pay close attention to the pattern chart's symbols and follow them carefully to create the desired representation of the lion.

As you work on the lion's design, remember to change colors as needed to bring the lion to life. The combination of colors will add depth and dimension to the panel, highlighting the intricate details of the lion's features.

Attach this regal lion to a pillow as shown, or use yarn instead of crochet thread to make a lightweight pictorial blanket. This simple but almost three dimensional pattern was originally designed by Etta Neece in 1917.

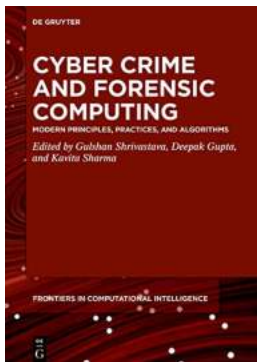

This is not your usual scanned vintage crochet pattern. To make this pattern great for today's crocheter I wrote complete instructions, expanded the written instructions so you won't need to skip around, and made an easy to follow chart. I also changed the written instructions to use modern US crochet terms.

The only stitches you need to know to complete this lace are: chain stitch, single crochet, double crochet, and slip stitch.
