Love is one of the most profound, mysterious, and complicated emotions known to human beings. There are many types of love which can be expressed in numerous ways. We seek to establish a means of relating to another to achieve deep and meaningful fulfillment that nurtures and sustains us. Love is commonly

experienced by way of a romantic relationship with a partner with whom we feel compatible.

Loving another has many events that can affect us several ways. We can experience joy, anguish, longing, desperation, and confusion. Love Bites illustrates the story of emotions experienced by two people who share a connection unlike any they have ever known and provides a visual perspective to explain feelings that can be difficult to express in words.
