The rightful King of England is on the run. With a price on his head and in fear for his life, Charles Stuart is desperate to escape his pursuers, the Parliamentarians who executed his father. A rich reward has been offered for his capture and everyone is on the lookout for the young man. Nowhere is safe. How will he ever manage to flee the country without help? Never fear, the Guardians of Time have a Special Agent lined up for the job ... but he just so happens to be a cat!
